Packaging	Clean bags with suitable liners; net weight and lot identification by agreement.
Storage / handling	Dry, ventilated storage with moisture and pest control; handling depends on the supplied form.
Documentation	Agreed specification and applicable analytical, origin, plant-health and destination import documents.
Minimum order quantity	Confirmed on enquiry for the exact product and destination.
Availability / lead time	Confirmed after specification, sourcing and logistics review.
Samples / inspection	Requirements, scope, cost and timing to be agreed before the order.

Before placing an order

This is an indicative product specification guide for discussion, not a batch certificate, certificate of analysis, price quotation or guarantee of stock. Final limits, testing, packaging, delivery terms and price must be agreed in writing. Verify the full national tariff item and current destination requirements for the exact product before shipment.
