

# Pineapple

Fresh pineapples selected for maturity and sweetness.

Reference: MGT-SPEC-081 | Category: Fruits

|                                    |                                                                                                       |
|------------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>Variety / grade / form</b>      | Queen / Kew; crown and packing specification                                                          |
| <b>HS / HSN reference</b>          | 080430 (indicative international six-digit code)                                                      |
| <b>Origin</b>                      | India; exact source and origin documentation to be confirmed.                                         |
| <b>Quality parameters to agree</b> | Cultivar, size or count, maturity, firmness, sweetness where applicable and defect tolerance.         |
| <b>Packaging</b>                   | Protective fruit cartons with suitable ventilation and cushioning; count and net weight by agreement. |
| <b>Storage / handling</b>          | Agree ripening stage, product-specific temperature and transit plan before shipment.                  |
| <b>Documentation</b>               | Agreed specification and applicable treatment, phytosanitary and origin documents.                    |
| <b>Minimum order quantity</b>      | Confirmed on enquiry for the exact product and destination.                                           |
| <b>Availability / lead time</b>    | Confirmed after specification, sourcing and logistics review.                                         |
| <b>Samples / inspection</b>        | Requirements, scope, cost and timing to be agreed before the order.                                   |

## Before placing an order

This is an indicative product specification guide for discussion, not a batch certificate, certificate of analysis, price quotation or guarantee of stock. Final limits, testing, packaging, delivery terms and price must be agreed in writing. Verify the full national tariff item and current destination requirements for the exact product before shipment.
