

# Pigeon peas / toor

Pigeon peas for dal and staple food programmes.

Reference: MGT-SPEC-016 | Category: Pulses

|                                    |                                                                                       |
|------------------------------------|---------------------------------------------------------------------------------------|
| <b>Variety / grade / form</b>      | Whole / split                                                                         |
| <b>HS / HSN reference</b>          | 071360 (indicative international six-digit code)                                      |
| <b>Origin</b>                      | India; exact source and origin documentation to be confirmed.                         |
| <b>Quality parameters to agree</b> | Size or count, moisture, admixture, damaged grains, infestation and whole/split form. |
| <b>Packaging</b>                   | Bulk or retail packs; weight, liner and lot identification to be agreed.              |
| <b>Storage / handling</b>          | Dry, clean storage with pest and moisture control appropriate to the product.         |
| <b>Documentation</b>               | Agreed specification, packing list and applicable plant-health and origin documents.  |
| <b>Minimum order quantity</b>      | Confirmed on enquiry for the exact product and destination.                           |
| <b>Availability / lead time</b>    | Confirmed after specification, sourcing and logistics review.                         |
| <b>Samples / inspection</b>        | Requirements, scope, cost and timing to be agreed before the order.                   |

## Before placing an order

This is an indicative product specification guide for discussion, not a batch certificate, certificate of analysis, price quotation or guarantee of stock. Final limits, testing, packaging, delivery terms and price must be agreed in writing. Verify the full national tariff item and current destination requirements for the exact product before shipment.
