

Granite slabs & tiles

Worked granite slabs and tiles for building and interior applications. Select colour, finish, thickness and dimensions against an approved sample. This HS reference assumes worked stone, beyond simply sawn surfaces.

Reference: MGT-SPEC-089 | Category: Granites & Marbles

Variety / grade / form	Polished / honed / other worked finishes; dimensions by agreement
HS / HSN reference	680293 (indicative international six-digit code)
Origin	India; exact source and origin documentation to be confirmed.
Quality parameters to agree	Stone identity, colour range, veining, dimensions, thickness tolerance, finish, defects and disclosed treatments or backing.
Packaging	Protective crates or engineered frames; slab support, edge protection, net/gross weight and lifting points by agreement.
Storage / handling	Keep secured against movement. Confirm mechanical lifting, load distribution, payload limits and safe handling with the supplier and carrier.
Documentation	Agreed specification, approved selection, packing list, origin documents and applicable testing or packaging-treatment documentation.
Minimum order quantity	Confirmed on enquiry for the exact product and destination.
Availability / lead time	Confirmed after specification, sourcing and logistics review.
Samples / inspection	Requirements, scope, cost and timing to be agreed before the order.

Before placing an order

This is an indicative product specification guide for discussion, not a batch certificate, certificate of analysis, price quotation or guarantee of stock. Final limits, testing, packaging, delivery terms and price must be agreed in writing. Verify the full national tariff item and current destination requirements for the exact product before shipment.
