

Banana leaves (fresh)

Fresh green banana leaves for food wrapping, serving and catering. Specify usable dimensions, tear tolerance, cleaning, packing count and transit requirements. HS 140490 is an indicative reference for unmanufactured leaves for these uses; confirm classification and destination requirements before shipment.

Reference: MGT-SPEC-056 | Category: Vegetables

Variety / grade / form	Whole / cut-to-size fresh leaves; not manufactured plates; handling and packing agreed per order
HS / HSN reference	140490 (indicative international six-digit code)
Origin	India; exact source and origin documentation to be confirmed.
Quality parameters to agree	Variety, size, maturity, colour, freshness, damage tolerance and destination plant-health requirements.
Packaging	Protective, ventilated packing where appropriate; pack count, net weight and dimensions by agreement.
Storage / handling	Agree pre-cooling, temperature, transit time and cold-chain requirements for the exact product.
Documentation	Agreed specification and applicable phytosanitary, inspection and origin documents.
Minimum order quantity	Confirmed on enquiry for the exact product and destination.
Availability / lead time	Confirmed after specification, sourcing and logistics review.
Samples / inspection	Requirements, scope, cost and timing to be agreed before the order.

Before placing an order

This is an indicative product specification guide for discussion, not a batch certificate, certificate of analysis, price quotation or guarantee of stock. Final limits, testing, packaging, delivery terms and price must be agreed in writing. Verify the full national tariff item and current destination requirements for the exact product before shipment.
